A Publication by The Wyndcroft School

WINTER 2016-2017

A MESSAGE FROM THE HEAD OF SCHOOL

Gail L. Wolter

NEW FACES AND NEW SPACES

The 2016-2017 school year welcomed many new faces - new families, 42 new students, and seven new staff members.

We also completed another phase of our facility improvements. A new outdoor classroom that includes a grass playing field, a seating area for a group, and the highly regarded Gaga Pit are welcome additions to the campus. The journey to the realization of this space has been a long one, and the children and faculty are enjoying it immensely. As I peer outside, I am greeted with squeals of delight and scenes of imaginative and cooperative play which is an important aspect of a Wyndcroft education. In just a few weeks' time this space has enhanced the educational program for all our children.

The energy outdoors rivals the academic energy I observe in classrooms. I try to visit classrooms every day and I note fervent readers, avid writers and publishers, enthusiastic speakers and presenters, singers, actors, and designers. Active learning is truly evident in every classroom - preschool through eighth grade! I could not be prouder of this vibrant community: its rich curriculum, stimulating faculty, and engaged students.

WYNDCROFT MISSION STATEMENT

The Wyndcroft School is a co-educational elementary day school for children in grades Early Education through Eight. The mission of the school is to offer a rigorous academic program enabling the child to establish a firm foundation for a happy and successful future with confidence to succeed in an ever-changing world. The curriculum is traditional and designed to develop the whole child. It emphasizes fundamental skill instruction, character development, and the pursuit of excellence in English, history, mathematics, science, foreign languages and the arts. In a small class setting, the school endeavors to provide a safe, nurturing environment fostering creativity, a love of learning, personal integrity, determination and respect for others.

TWO NEW ADMINISTRATORS

Wyndcroft is pleased to welcome two new Administrators to the team.

Kate Borgeson, Director of Admission

Wyndcroft is pleased to introduce Kiernan M. Borgeson (Kate) as the new Admissions Director. Kate has a B.A. from St. Lawrence University and brings a rich history of independent school education, firmly rooted in the ethos of academic excellence and character development.

For more than four years, Kate served as Assistant Director of Admission at The Hill School, recruiting, interviewing, and enrolling prospective students. She coordinates the Big Brother/Big Sister Program as well as the Equestrian Program for the school. Fully immersed in boarding school life, the Borgeson family of five lives in Foster Dormitory on campus. Daughter Tipper joins the Wyndcroft class of 2026 in Pre-K, while siblings Davis and William wait just a little longer to enter Wyndcroft.

Kate enjoys volunteering and spending time with family, and is an avid photographer. Known for her relentless positivity of life, Kate can be found in her office on the second floor of the Early Learning Center.

Robert Evans '65, Director of Development

The Wyndcroft School is pleased to announce the conclusion of the search for a new Director of Development. Robert W. Evans, Wyndcroft Class of '65, has “come home again” in a new role. Robert holds a variety of degrees including a B.A. in Classics from Haverford College, a M.A. in Psychology from Sofia University, and a J.D. from Villanova University School of Law. Robert’s accomplishments are a testament that his educational success truly began at Wyndcroft!

Robert brings a strong commitment to building a community of interest that spans generations along with demonstrated success in identification, solicitation, cultivation, and stewardship of alumni and other donors. With particular interest in archival and historical research Robert serves as Vice President of the Pottstown Historical Society and has worked closely with the Archives & History Committee of the Bach Choir of Bethlehem. Robert has a fondness for travel; he has visited 46 states and 12 European countries by train, and has crossed the Atlantic three times by ship. As we approach our 100th anniversary, we look forward to working with Robert to build financial sustainability for the next century at Wyndcroft.

ABOUT THE COVER PHOTO

Congratulations to the 2016 Wyndcroft Field Hockey Team on completing a “perfect season” going undefeated this year.

WELCOME NEW FACULTY

Wyndcroft welcomes three new faculty members this school year.

Julie Bell, Second Grade

Mrs. Bell is a graduate of West Chester University with a Bachelor's of Science degree in Elementary Education. With nine years of teaching experience, she enjoys using small groups to differentiate and personalize instruction in the classroom. She taught fourth grade here in the past and has returned to teach second grade. When she is not in the classroom she loves to spend time with her husband, Pat, and her two children, Bobby and Abby, participating in a variety of outdoor activities such as running races, hiking, biking, and snowboarding.

Kathleen Iacobucci, Upper School Math

Kathleen Iacobucci joins Wyndcroft as an Upper School Mathematics Teacher, focusing on the 7th and 8th grades. Mrs. Iacobucci most recently taught at an all-boys private college preparatory school for nineteen years. Her teaching background includes pre-Algebra to Calculus, but her love of Algebra is what makes her excited to teach middle school students. Mrs. Iacobucci is a graduate of Susquehanna University. She enjoys running, especially half-marathons and recently began working on improving her golf game. Mrs. Iacobucci is a mom to three grown daughters and resides in Phoenixville with her husband, Michael.

Dana Mullen, Second Grade

Mrs. Mullen comes to Wyndcroft having worked in both public and private schools throughout her eleven year career. She has taught first and second grades and has also been a division head of lower school. Mrs. Mullen received her BS in elementary education and English from the College of New Jersey. Her specialty is language arts, but also loves to teach math just like her dad. It is in the lower grades where Mrs. Mullen thrives. She feeds off the positive and endless energy of her students. She likes to laugh and have fun in the classroom and inspire students to have a life-long love of learning. Mrs. Mullen currently resides at The Hill School in Pottstown, Pennsylvania with her husband, Dave, and their two children, Thomas (age four) and Marley (age two). She adores spending time with her family and playing on the playground with her young children. She is an avid baker, enjoys reading on the beach under the hot sun, and crafting in her spare time.

FACULTY AND STAFF DEVELOPMENT

Thanks to the Dr. Kate Wunner Professional Development Fund, members of the Wyndcroft staff were able to attend numerous training opportunities over the past few months.

The Lower School Teachers (grades 1-4) attended the Math in Focus seminar over the summer. Math in Focus is the new system of teaching mathematics that has been adopted at Wyndcroft for our Lower School students. By attending this seminar, the teachers as a group were able to explore creative classroom techniques that they can bring back to Wyndcroft. Listening to speakers explain the teaching methods gave them in-depth knowledge of the system to better explore mathematical fundamentals in their classrooms. The teachers are pictured below at left.

Mme Ann Risell (Upper School French) attended Merici University in Quebec City, Quebec, Canada. While there, she completed an Advanced Intensive Conversation Class and earned a Gold Certificate for her efforts. Wyndcroft students benefit from Mme Risell's knowledge of conversational French language and culture every day in her classroom. They even get to put their own knowledge of French on display during our annual French Fete, coming up in February. Mme Risell is pictured below at right with her son and husband.

Alex Turock (Latin) attended Level One Certification Google Training at the Montgomery County Intermediate Unit in December. This training gave Mr. Turock advanced knowledge of the Google Apps for Education to bring back and share with his fellow faculty members at Wyndcroft. He is especially excited about the Flippity App, which will assist teachers at all grade levels to excite and educate their students on a digital platform when teaching fundamental concepts like spelling and vocabulary.

Your gift to the Dr. Kate Wunner Professional Development Fund helps Wyndcroft provide training for our faculty and staff to ensure the most up-to-date, creative teaching techniques in our classrooms.

WYNDCROFT TRADITIONS

The Wyndcroft school year is filled with many special traditions, enjoyed by students and staff alike.

Pre-Kindergarten Chapel - Each year, our Pre-Kindergarten class kicks off the holidays with our Thanksgiving Chapel. Singing festive songs for Thanksgiving, they are always a highlight of our season.

Passionately Pink - In October, the whole school unites for "Passionately Pink," a fundraiser for the Susan G. Komen Foundation.

Holiday Cheer - Our WPTO, with the help of the Student Council, runs a Holiday Cheer drive to collect needed items for the Pottstown Cluster.

Holiday Bazaar - Another favorite tradition, and fundraiser for both the WPTO and the Eighth Grade, the Holiday Bazaar is an exciting event. Open to the public, students and staff, this day of shopping and fun is enjoyed by all.

Follow us on Facebook and Instagram.

HAPPY HOLIDAYS

The holiday season is a special one at Wyndcroft. With special dress up days, concerts and events, it is always a festive time of year.

WYNDCROFT ON STAGE

Wyndcroft's students are active on-stage throughout the year. This fall, we enjoyed the Fourth Grade Play "United We Stand" and the traditional Pre-Kindergarten Thanksgiving Chapel.

ALUMNI NEWS

Here's the latest from Wyndcroft's Alumni network as well as our alumni parents and past faculty and staff.

CLASS OF 1943

Rita Conger Banning '43

Rita, pictured at right, had lunch with Director of Development Robert Evans '65. She fondly recalls Miss Obie, Headmistress Mrs. Steele, and Mrs. Guss. She reports that she got a solid grounding in mathematics and Latin at Wyndcroft, from which she graduated as a 9th grader during one of those brief intervals when Wyndcroft had a 9th grade. When she entered the Baldwin School as a 10th grader she found herself so well prepared that she was placed in math and Latin classes with 11th and 12th graders. After a number of years teaching math and Latin, she decided to enter politics. By way of preparation she earned her JD in 1976 at Villanova Law School, where she was the classmate of Robert Evans. Rita went on to practice law, and in 1980 ran successfully for Montgomery County (Pennsylvania) Commissioner, winning three consecutive terms until she voluntarily stepped down in 1992.

CLASS OF 1968

A note from **Jon Evans '68**: Greetings to all my fellow Wyndcroft alumni, old and new. This is my first time writing to Wyndchimes! Since 1978, after coming up here to attend graduate school at the University of Massachusetts at Amherst, I've lived and worked in Amherst, with visits to Pottstown once or twice a year to see family. I'm a financial writer by day, and hobbies include the study of the financial markets and singing with Valley Light Opera, a local musical theater company performing mainly Gilbert & Sullivan operettas. Wyndcroft got me off to a great start in life with a solid academic grounding and personal mentoring -- courtesy of Mr. Snively -- that I still look back on and appreciate. I especially remember how well-prepared I was in English grammar. After I'd graduated from Wyndcroft and moved on to The Hill School, one segment of our ninth-grade English class covered grammar. I'd seen it all before at Wyndcroft and aced the test with the highest score in the class. (I think that was the only time I achieved that distinction at Hill; the competition there was pretty fierce.) I occasionally see Wyndcroft classmate **George Federman** at Hill reunions, and I correspond with **Richard Albright**, who was my best friend through most of my time at Wyndcroft. Would love to hear from other classmates and friends.

CLASS OF 1985

Mindy Menkowitz Scheier '85 founded the nonprofit Runway of Dreams to bring affordable and fashionable adaptive clothing to children with disabilities. Now a major clothing line will partner with her. The Tommy Hilfiger organization has announced that it will join Runway of Dreams in the first-ever collaboration to bring affordable adaptive mainstream clothing directly to consumers. The collection includes 22 pieces available in children's sizes for boys and girls—and the garments cost the same as Tommy Hilfiger's existing children's line. Mindy hopes that this will be the first of many such collaborations with mainstream clothing lines.

CLASS OF 2010

Wyatt Fabian '10 was named to the National Soccer Coaches Association of America (NSCAA) Division III Men's Soccer All-America Third Team at Franklin and Marshall College. This is his fourth postseason honor after being named to the All-Mid Atlantic Region and All-Centennial Conference (CC) First Teams, as well as an ECAC All-Star this offseason. The junior defender was a stalwart on the backline after starting in all of the Diplomats 23 contests. He accumulated a goal and four assists on the year while anchoring a defensive unit that held the second-lowest goals against average mark in the conference at 0.79. Wyatt is pictured at left below.

CLASS OF 2011

Lehigh University sophomore Men's Soccer forward **Mark Forrest '11** garnered the team's Athlete of the Year Award, which is awarded to the student-athlete who makes the most outstanding contribution to the athletic success of the team. Forrest led the team for the second-straight season in goals with a total of seven this past season. He also posted a team-high tying four assists as he led the team with 18 points. He also tied for the team lead with two game-winning goals and one penalty kick goal. Mark is pictured at right below.

CLASS OF 2013

Members of Wyndcroft's Class of 2013 were honored at the annual Junior Prize Day at The Hill School, held in September 2016 as they entered their final year at The Hill.

Theodore Lin - Chinese 3 (Honorable Mention)

Mya Longacre - Advanced French 4 Honors (Prize Winner), The Thomas S. Roberts '53 Prize for Resiliency

Kushal Modi - Physics 1 Honors (Prize Winner), Advanced Latin Seminar Honors (Prize Winner), Senior French Seminar (Honorable Mention), Award presented by the Alumni for the student with the best general record

Angelina Patrinostro - Precalculus (Honorable Mention)

Manshesht Sharma - The Colgate Debating Prize for Most Effective Debater (Prize Winner).

In addition, a mobile app and business co-founded by Manshu, was recently named one of the "World's Hottest Start-Ups in 2016" by CNBC. The app, called meetHere, makes it easier for friends and colleagues to find a mutual meeting location between locations.

CLASS OF 2014

Members of Wyndcroft's Class of 2014 were honored at the annual Junior Prize Day at The Hill School, held in September.

Griffin Lehman - Chinese 1 (Prize Winner)

Matthew Spencer - Algebra 2 Honors (Honorable Mention), Arabic 1 (Prize Winner)

Joseph Szlavik - French 3 (Prize Winner)

CLASS OF 2015

Members of Wyndcroft's Class of 2015 were honored at the annual Junior Prize Day at The Hill School, held in September.

Euan Forrest '15 - Latin 2/Greek 1 Honors (Prize Winner), French 2 Honors (Prize Winner), Award presented by the Alumni for the student with the best general record.

Mohammed Khan - Intro to Web Development (Prize Winner)

Michael Vanelli - Introduction to Design Thinking (Honorable Mention), 20th Century History (Honorable Mention)

PAST FACULTY AND STAFF

John Huber, past faculty member writes: James Huber (attended EC-3rd gr. 2000-2006) - sophomore at University of Maryland, majoring in environmental science and policy. Brian Huber (attended EC-2nd gr. 2001-2006) - freshman at James Madison University, majoring in biology. Janine Huber (Wyndcroft parent) - Admissions Strategist & Coordinator PK-12 at Steiner School in Ann Arbor. John Huber (Latin Teacher, Assistant Head 1993-2006) - Head of Emerson School in Ann Arbor. Jack Huber (our only son never to have attended Wyndcroft!) - 4th grader at Emerson. Go Team Blue! Please send my best to my wonderful Wyndcroft colleagues!

IN MEMORIAM

Former staff member **Jean Hollenbach** passed away on November 30, 2016. Mrs. Hollenbach was the secretary and bookkeeper at Wyndcroft for 23 years, retiring in 1989. She was 87 years old.

ALUMNI REUNION

Wyndcroft Alums had a great time at a reunion and trivia night in December.

On December 30, Wyndcroft Alumni from around the country came together for pizza and trivia, celebrating the new year and remembering their years past.

Ken Dorris, Wyndcroft Athletic Director, acted as the Master of Ceremonies as teams of Alumni put their heads together to answer trivia questions. Some questions were general knowledge but there were some that were Wyndcroft-based. For instance, could you name all the Heads of School, in order?

DON'T MISS OUR NEXT ALUMNI REUNION!

ANNUAL GIVING

Gifts to the Annual Fund support the general operating budget and have an immediate influence on the day-to-day vibrancy of our school.

ENDOWMENT FUND

Endowment helps to advance the long-term goals of the school. It provides income that ensures we can support our faculty and maintain our facilities for generations to come.

Christopher and Anna Norton

DR. KATE WUNNER PROFESSIONAL DEVELOPMENT FUND

This fund allows our teachers to learn and grow along with the students, keeping them up to date on the latest teaching techniques and theories.

ALUMNI SPOTLIGHT

Memories of My Time at Wyndcroft Dick Peach, Class of 1965

I attended Wyndcroft from the middle of third grade (1959) through eighth grade (1965). I have many fond memories of those years and believe strongly that the education and personal growth I experienced during that period has served me well. I was pleasantly surprised and flattered when my classmate Robert Evans, Wyndcroft's new Director of Development, emailed me and asked me to write something about my career and my memories of Wyndcroft.

It has been over a half century since I attended Wyndcroft, so my memories are for the most part very hazy. But there are a few instances that I recall as though they occurred yesterday. I started at Wyndcroft in the middle of third grade as the principal of Lower Pottsgrove Elementary insisted that my parents find other arrangements for me. The first thing that happened on my first day was my parents and I met with Mr. Carlisle Snively, the Headmaster. At that meeting he looked at me and said, impassively, that my parents were making a great sacrifice to send me to Wyndcroft and that it was a no-nonsense kind of place. As of that moment I feared him, and I am sure that was the intent. (I later learned that my father took on the duties of Treasurer of Wyndcroft to help pay my tuition.) For many years after, Mr. Snively had a great influence on me, and over time the only fear I felt was of his disapproval. If my grades started to slip, he would take me aside and tell me, again, impassively, that I was not living up to my potential. He was not angry nor did he raise his voice. He was way ahead of his time in terms of motivational psychology.

In addition to being Headmaster and Latin and English instructor, Mr. Snively was our coach and referee on the playing field. During the summer he was the manager of the swimming pool at the Brookside Country Club. He taught me how to swim with his unique "bobbing" technique, which over time made you feel quite comfortable with your head under water and with exhaling through your nose. I used that technique to teach all three of my daughters how to swim.

We had Halloween parties and occasional dances, but as I recall the boys were way too timid to ask a girl to dance. We had assemblies and sang songs like "Oh Susanna", "The Yellow Rose of Texas" and "Row Row Row Your Boat" as a round. Eighth graders had to recite a poem at those assemblies. "Stopping by Woods on a Snowy Evening" by Robert Frost was a favorite. Finally, the school year ended with Field Day with the Blue Team versus the Gold Team. The events I recall are the high jump, long jump, and baseball throw, but I am sure there were others.
